

# FUFU

*18th October 2022 Exhibition*

**Elios Gallery**

# About

Fufu is a French artist based in London.

She instantly fell in love with art at a young age and used it as a refuge from reality.

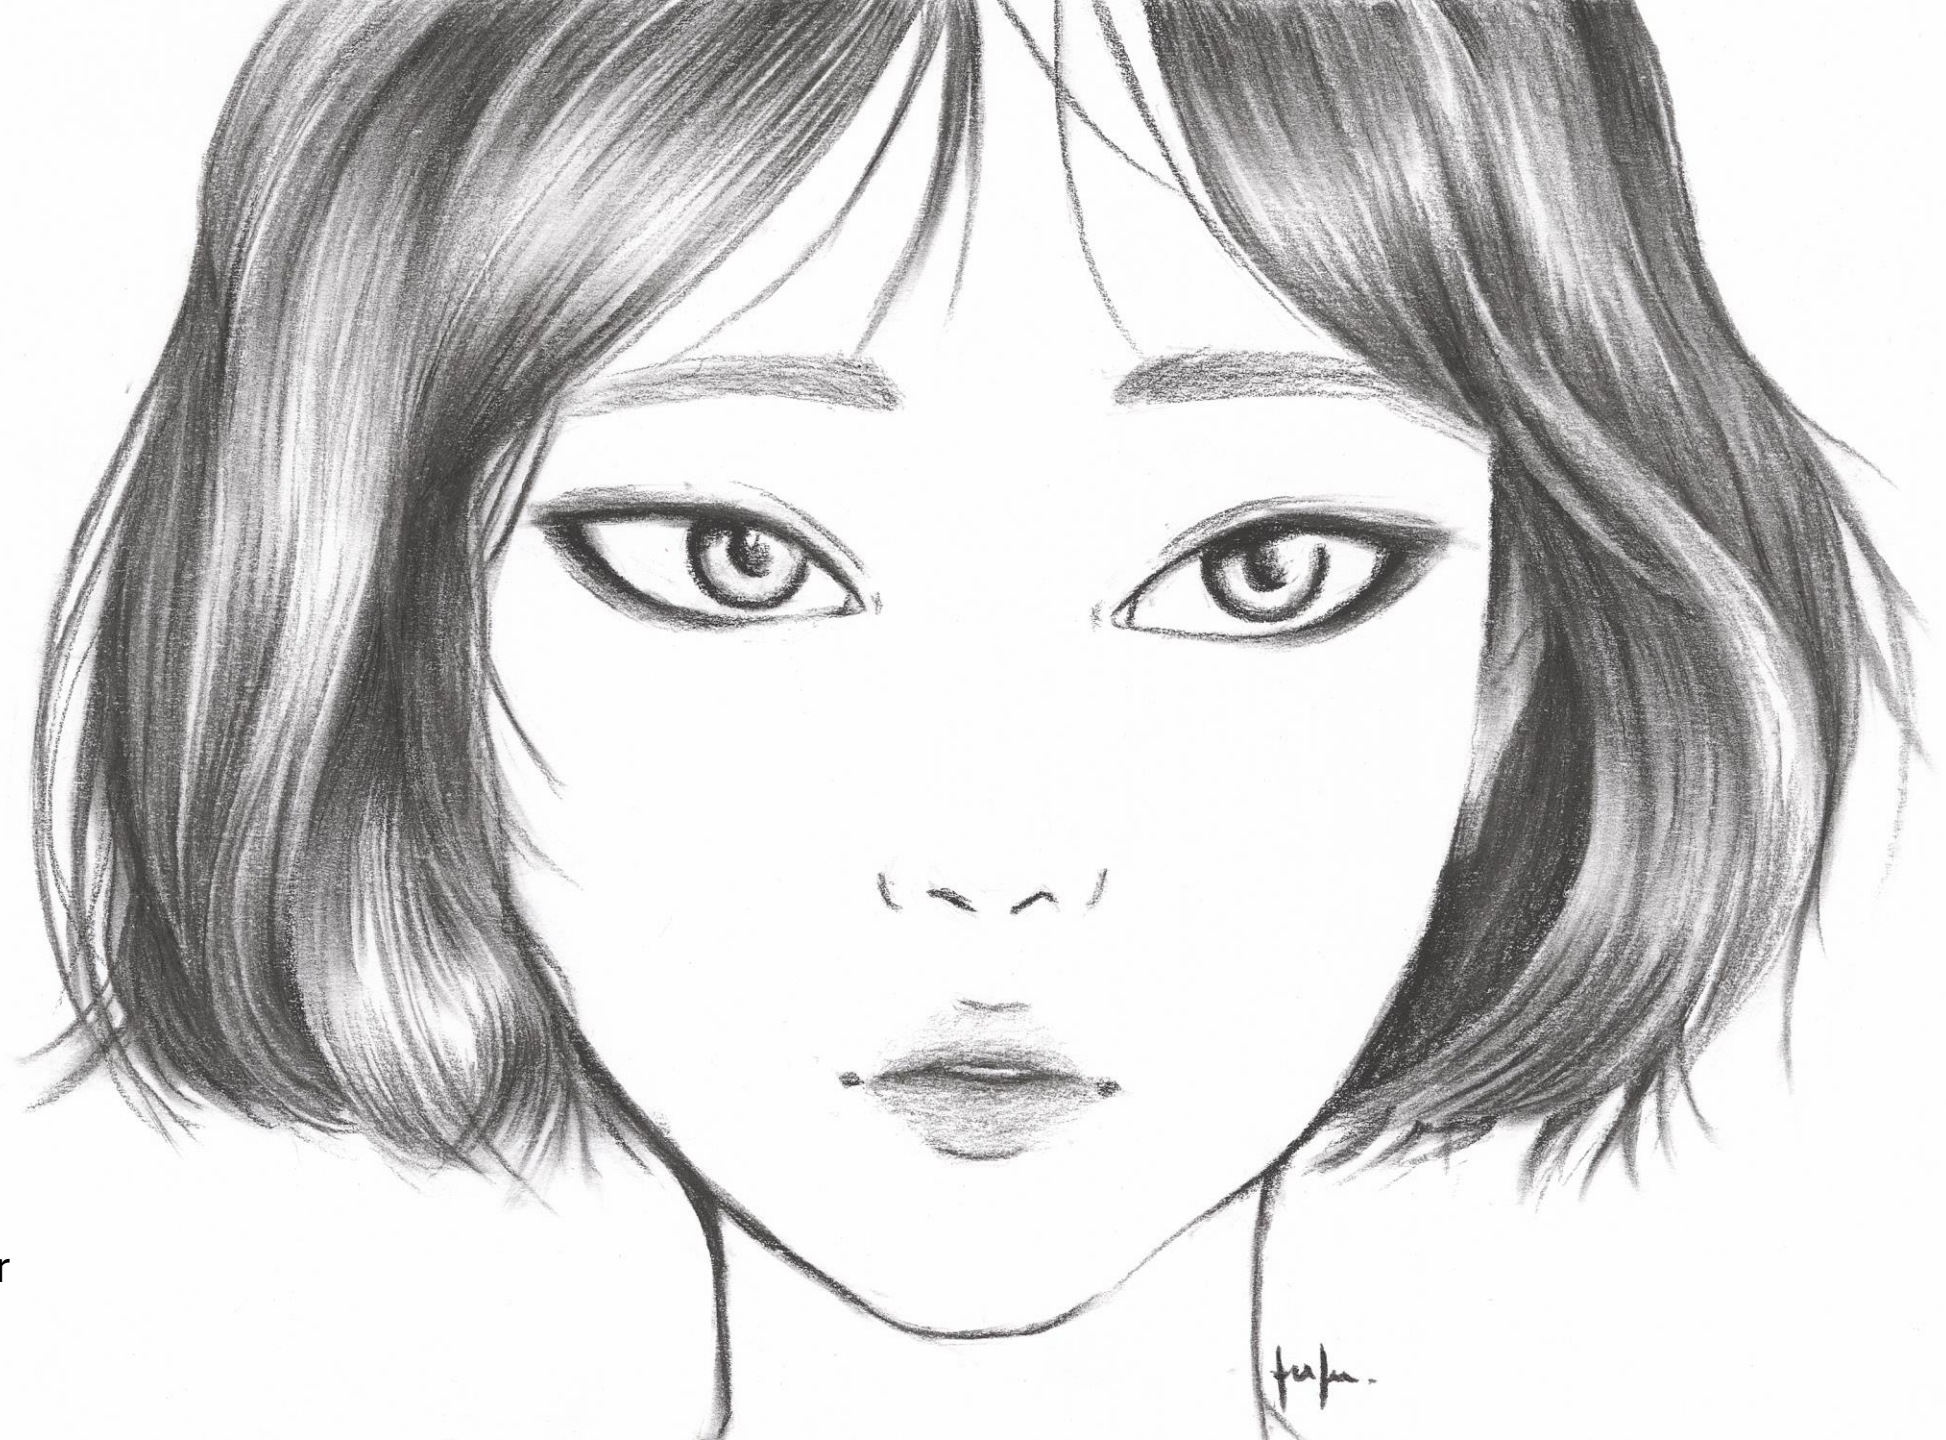

Amazed by Japanese animation and its ability to express emotions, she started exploring different ways to portray feelings.

Through her work, she wishes to showcase vulnerability and deep but yet subtle sensitivity.

Prologue (2022)  
Drawing pen on paper  
29.7 x 42.0 cm
